- Downstage lip, 16'
- Mid stage, 12'
- Upstage, 10'

Parking

The Federal NOHO has a parking lot adjacent to the building. We can reserve up to 3 spots closest to load in door. This is behind the main entrance of The Federal Bar and is entered from Weddington ave. Any large vehicles must be advanced with the PM.

Load in

Load in is through our Weddington entrance, down a small hallway to an elevator. The event space is on the 2nd floor, with a short push to the stage.

Please note, this is not a freight elevator so large items like B3 organs should be taken into consideration. For reference, you can fit comfortably 6 bodies within the elevator.

Backline

2 Technic 1200 Turntables with cases
If backline is required, please e-mail the PM for coordination

Video

Connectivity is HDMI (Projector only) BNC, RCA or VGA
Video connection from stage is either BNC or RCA
BenQ projector.
Video screen dimensions 5' tall by 10' wide.
Motorized operation. Optimal viewing is 16x9 or 4:3.
Qty 3 49" Insignia flatscreen TV's, all flown on our Weddington sidewall. BNC, RCA or VGA connections only.

Green Room

We have 1 Green room with access to a private bathroom. This is directly behind the stage with a small hallway separating the upstage entrance and Green room.

Wifi

Wifi access will be given day of event due to login info being changed regularly.

Any questions or concerns, please contact our Production Manager
Josh Benton at Jbenton78@gmail.com
